Jimmy was late but made his costume change in time	<p>It was a great opening night! The cast had a great energy, and the crowd was very responsive.</p> <p>We had to bring in Paul Hintz to sub for Caleb Brown and he executed all of his jobs perfectly.</p> <p>We are going to test the whole cast from 9-11 on Monday and plan for a 5PM rehearsal based off of who tests positive.</p>
Directing	
<ol style="list-style-type: none"> Per request from Dr. Jones we are going to have Crew member Megan Smith give the curtain speech so it's not distracting to have someone in costume Peter is going to make sure to gesture towards the orchestra during the curtain call I will have the cast run the curtain call after fight call to clean it all
